RQ ★★★★★ 2027

Born of the Elements. Crafted for the Extraordinary.

The **earth** ran deep. The **sun** bore down. The **air** swept through. The **water** carved its path. The **fire** held. And from all of it — **five extraordinary wines were born**.

Elemento

Crafted From The Elemental Forces That Make Great Wine Possible

RQ27's **Elemento** is a curated collection of five wines, each shaped by a dominant elemental force — **terre, sol, aria, acqua, and ember** — and the distinctive terroir and regional conditions of their origin. From the layered earth of **France** to the cooling lake winds of **Canada**, the sun-drenched plains of **Spain** to the flowing currents of **Italy**, and the bold intensity of **Australia**'s heat — these are wines crafted from the unmistakable signature of the natural world.

Explore the collection. Discover your element.

NOTE: Wine is very subjective to all individuals. Different types of winemaking practices can affect the outcome of your wine. Refer to tasting notes for each wine as a guideline for how we describe the profiles of our finished wines. Target alcohol level is based on following RJS Craft Winemaking instructions.

RELEASE DATE

NOVEMBER 2026

Pinot Noir Shiraz

AUSTRALIA

Fire transforms the vine and leaves something brilliant in its wake.

OAK: MEDIUM | BODY: MEDIUM
SWEETNESS: DRY | ALCOHOL: 13.8%

Australia's sun-scorched vineyards, heat isn't a season – it's a force of nature. It doesn't relent, and neither does Ember. Long summers forge Pinot Noir and Shiraz into something bold, concentrated, and alive with intensity. Dark fruit, warm spice, a finish that holds like a coal long after the flame has passed. This is a wine that doesn't just warm the glass, it stays with you.

TASTING NOTES

Ripe plum and strawberry on the nose, layered with warm spice and a whisper of cracked pepper. Medium-bodied on the palate with juicy fruit, soft tannins, and a long, deeply satisfying finish.

Pinot Noir Shiraz is built for bold, comforting flavours.

Try it with spiced lamb meatballs in a rich tomato sauce or a simple board of aged cheddar and fig preserves.

RELEASE DATE

JANUARY 2027

Cabernet Franc

CANADA

Cool air cultivates precision, refining intensity into focused grace.

OAK: MEDIUM | BODY: MEDIUM
SWEETNESS: DRY | ALCOHOL: 13.5%

In Niagara's lake-cooled vineyards, cool air and shifting temperatures preserve what warmth would soften. The Great Lakes hold the cold long into spring and carry it through the vines all summer. Cabernet Franc finds its finest expression here, delicate in structure, precise in character, and shaped by airflow into something aromatic, fresh, and beautifully defined. Aria doesn't demand your attention. It earns every note, quietly and elegantly, with every sip.

TASTING NOTES

Bright raspberry and black cherry on the nose with a delicate hint of vanilla. Medium-bodied and precise on the palate, with fresh acidity, gentle tannins, and a finish as cool and clear as the air that shaped it.

Cabernet Franc finds its match in fresh, herb-forward cooking.

Serve alongside herb-crusted pork chops with lemon-dressed green beans or a light pasta with olive oil and fresh herbs.

RELEASE DATE

FEBRUARY 2027

Pinot Grigio Sauvignon Blanc

ITALY

Water finds its path and everything becomes clearer for it.

OAK: UNOAKED | BODY: LIGHT
SWEETNESS: DRY | ALCOHOL: 12.8%

Italy's alpine valleys are carved by water – cool, precise, and shaped with quiet intention. That same force lives in every glass of Acqua. Pinot Grigio brings clean fruit and subtle texture; Sauvignon Blanc adds the lift and brightness of open air. Together they move like a stream in full flow: fluid, fresh, and alive in the glass. The kind of wine that doesn't just refresh, it restores.

TASTING NOTES

Aromas of crisp green apple, fresh melon, and zesty citrus with a delicate mineral thread. Bright and clean on the palate with lively acidity and a smooth, flowing finish.

Pinot Grigio Sauvignon Blanc thrives alongside fresh, simple flavours.

Serve with fresh caprese salad skewers or creamy goat cheese crostini with a drizzle of honey.

RELEASE DATE

MARCH 2027

Cabernet Sauvignon Merlot

FRANCE

Patient and layered, the earth builds something deeply rooted.

OAK: MEDIUM | BODY: MEDIUM
SWEETNESS: DRY | ALCOHOL: 13.4%

France's soils run deep, layered, complex, and rich with the quiet history of centuries of great winemaking. Cabernet Sauvignon draws structure and precision from that foundation; Merlot adds roundness and balance, softening without diminishing. Terre is a wine drawn from the earth itself, restrained where others are bold, precise where others are expressive, and grounded in a depth of place that only France can offer.

TASTING NOTES

Dark plum and ripe cherry on the nose, with a warm undercurrent of mocha and subtle oak. Medium-bodied and well-structured on the palate, with smooth tannins and a finish that settles deep and stays.

Cabernet Sauvignon Merlot belongs at the heart of an unhurried meal.

Serve alongside a classic French onion soup with a good crusty baguette or a slow-braised beef and mushroom ragù.

RELEASE DATE

APRIL 2027

Tempranillo Bobal

SPAIN

The sun ripens the grape, filling it with warmth, colour and life.

OAK: MEDIUM | BODY: FULL
SWEETNESS: DRY | ALCOHOL: 14%

From sunrise to sunset, Spain's vineyards bask in a warmth that is relentless and abundant. Tempranillo thrives in it, building savoury depth and richness with every long, unhurried day. Bobal tempers that intensity, adding colour, freshness, and lift that keeps the wine balanced and alive. Together they produce Sol — warm, ripe, and radiating the effortless generosity that only a long Spanish summer can produce.

TASTING NOTES

Rich blackberry and ripe prune on the nose, warm with baking spice and a hint of toasted oak. Full-bodied and smooth on the palate, with balanced tannins and a finish that glows long after the last sip.

Tempranillo Bobal thrives alongside warm, rustic flavours.

Try it with a hearty chickpea and chorizo stew or slow-roasted chicken thighs with smoked paprika.
